

MBX Biosciences to Participate in Citizens and RBC May Investor Conferences

April 22, 2025

CARMEL, Ind., April 22, 2025 (GLOBE NEWSWIRE) -- MBX Biosciences, Inc. (Nasdaq: MBX), a clinical-stage biopharmaceutical company focused on the discovery and development of novel precision peptide therapies for the treatment of endocrine and metabolic disorders, today announced that Kent Hawryluk, President and Chief Executive Officer, will present at and participate in the Citizens Life Sciences Conference on May 7 and the RBC 2025 Global Healthcare Conference on May 21.

The Citizens Life Sciences Conference

Date: Wednesday, May 7, 2025
Format: Fireside chat and 1x1 meetings
Time: 3:00 p.m. – 3:25 p.m. ET
Location: New York, NY

The RBC 2025 Global Healthcare Conference

Date: Wednesday, May 21, 2025
Format: Fireside chat and 1x1 meetings
Time: 3:35 p.m. – 4:00 p.m. ET
Location: New York, NY

The live webcast for each presentation can be accessed in the investors section of the MBX Biosciences website at <https://investors.mbxbio.com/news-events/events>. Access to the webcast replays will be available approximately two hours after the completion of the events and will be archived on the Company's website for approximately 90 days.

About MBX Biosciences

MBX Biosciences is a biopharmaceutical company focused on the discovery and development of novel precision peptide therapies based on its proprietary PEP™ platform, for the treatment of endocrine and metabolic disorders. The Company is advancing a pipeline of novel candidates for endocrine and metabolic disorders with clinically validated targets, established endpoints for regulatory approval, significant unmet medical needs and large potential market opportunities. The Company's pipeline includes canvuparatide (MBX 2109) for the treatment of chronic hypoparathyroidism (HP) in Phase 2 development; MBX 1416 for the treatment of post-bariatric hypoglycemia (PBH) in Phase 1 development; and an obesity portfolio that includes MBX 4291, with an IND submission anticipated in Q2 2025, as well as multiple discovery and pre-clinical obesity candidates. The Company is based in Carmel, Indiana. To learn more, please visit the Company website at <https://mbxbio.com/> and follow it on [LinkedIn](#).
